WELCOME LILY

Please join me in welcoming Lily-Ann “Lily” Olesen as our new Library Assistant at Sonoran University. We are very excited to have her join our Library Team:

Lily-Ann Olesen
Library Assistant I

She is a graduate of the internationally regarded School of the Art Institute of Chicago (SAIC) with a Bachelor of Fine Arts. Her experiences include Artist, Library Assistant, Graphic Designer and Archives Assistant, with roles that have centered around antiquarian acquisitions, preservation of little known feminist narratives of the past, antique book conservation, transcribing little known papers/manuscripts, and more, working at places like the Ryerson and Burnham Libraries (major art and architecture research libraries part of SAIC), the Chicago Newberry Library, and more. She had the opportunity to help archive and digitize an original Gaughan sketchbook. Annually, on her birthday, she visits Wyoming and dresses as a pioneer, and in her youth, she used to nurse baby bats at the Timpanogos National Cave Monument in Utah. She enjoys weaving on a traditional 4-harness loom she inherited from her great-grandmother, creating/designing her own textiles. She is very service oriented, and eager to learn, and help all of our patrons in the Sonoran Community. Be sure to stop by and say hello and welcome.

OBSERVE QUIET PLEASE

With ND Final Exams Week upon us, let us all be mindful in the Library as many seek a quiet place to study.

While we all know that being Quiet is a standard practice when using a Library, often without thinking many of us will get loud using the phone, or talking over the copy machine, or discussing class or club activities and more. Fairly quickly the noise level will build. As a courtesy to your fellow students, as we approach the end of the Quarter and Final Exams approach quickly, let's try to practice a little more mindfulness with regard to the noise we may be making as individuals or in groups. Thank you.

LIBRARY STUDY ROOMS LIMITED AVAILABILITY

Be advised that due to ND Final Exams taking place in the Library during Final Exams Week, September 9th to 13th, there will be an extreme limited availability of the Study Rooms in the Library. Please prepare and plan accordingly.

CALCULATORS AVAILABLE IN LIBRARY

If you were not aware, the Library does have simple basic calculators that you may check-out from the Library. They are available for 2-hour Check-out only. You may checkout calculators at the Library Main Desk. Please return them when you are done.

VOLUNTEER TIME IN THE LIBRARY

Volunteer time in the Library does meet your required Volunteer time for graduation. The Library has great easy projects for volunteers to help continuously improve the Library's abilities to meet the needs of the entire Sonoran University Community. Come speak to a Library staff member about volunteering some time this Quarter. You can create your own volunteer schedule.

BADGE REQUIRED

Don't Forget Your Sonoran University Identification Badge

Remember, your Sonoran University ID Badge is still required to be on campus, to enter certain areas of the campus, and for printing.

UpToDate is an evidence-based, physician-authored clinical decision support resource which clinicians trust to make the right point-of-care decisions. More than 6,300 world-renowned physician authors, editors, and peer reviewers use a rigorous editorial process to synthesize the most recent medical information into trusted, evidence-based recommendations that are proven to improve patient care and quality. More than 1.1 million clinicians in 180 countries and almost 90% of academic medical centers in the United States rely on UpToDate to provide the best care. That trust has been earned because of the integrity of our recommendations, including the fact that we never accept funding from pharmaceutical companies, medical device manufacturers or other commercial entities.

To use UpToDate, you must link out from the link provided on the Library's MySCNM page. When on campus, anywhere, UpToDate is fully accessible without any log-in requirements. For off-campus remote access, first while on campus you must register to create an individual unique account with your Sonoran University e-mail address. Your personal Sonoran registered account will allow you to log-on anywhere for full access. Additionally, you will have the option to download the Mobile app on your phone.

LIBRARY OPEN FOR THE BREAK

The Library is often open during any of the between-quarter Breaks; possibly excepting the Fall to Winter Holiday Break or with limited hours. While many of you may travel during the Break periods, the staff remain here to complete many various tasks and projects, or prepare for the orientations of the new incoming class, or generally getting ready for the next quarter, etc.

The Library will be staffed and available to continue to provide our many Library services, including checking out of materials, research assistance, inter-library loan, and more. Call or e-mail ahead to be sure of a particular days hours and staffing availability.

For those of you who are not going anywhere, you are more than welcome to come in and visit us. Get a head start on the next quarter, finish up any previous quarter work, or just check out what we have just for fun. For those who do not have computers or printers at home, you can come in to check your e-mail, copy or print, research, download data, etc. More seriously, you can do some case research for your Break Clinic Shifts.

Check out some casual reading materials, or video and audio materials, for the Break.
