- Books, Journals, CDs, DVDs, etc.
 - Available
 - Place Holds

The screenshot shows the library catalog homepage for Sonoran University of Health Sciences. At the top, the university logo and name are displayed. Below the header, there are navigation links for Search, Lists, My Account, and Help. The main content area is titled "Simple Search" and features a search input field, a "Search" button, and a "Start Over" button. There are also checkboxes for "Options selected" and "Hide tips". Below the search area, there are "Simple Search Tips" which provide instructions on how to use the search function, including options for matching, finding, and year filtering.

Simple Search Tips

Search: Enter the terms to be searched. Terms may be entered as keywords or a phrase. Click on **Search** to execute your search. Click on **Start Over** to clear the search field and selected options.

Options:

Matching: Select **Match ALL Keywords** to narrow your search using AND (Term1 AND Term2 AND Term3). Select **Match ANY Keyword** to expand your search using OR (Term1 OR Term2 OR Term3). Select **Exact Phrase** to limit your search to the terms as entered (no variations of each keyword) and in the order entered. Select **Spelling Variations, Synonyms, or Related Words** to expand keyword matching to include variations of the terms entered. **Alternate display: Search collections:** If your library has enabled search collections, select whether to search **hard-copy** and/or **electronic resources**.

Find: If your library is set up to return media separately, enable this option to include media in the search results. If your library is set up for full-text searching, enable this option for full-text searching of linked documents.

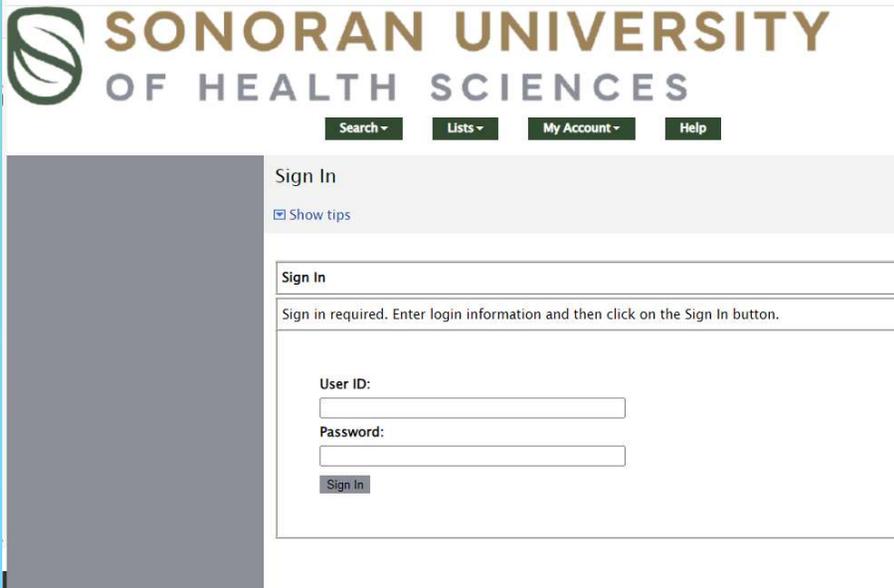

Year: Enter a single year or range of years to limit your search by publication date.
